presenta

# Ara

# SYNOPSIS

It is a performance based in contemporary circus that fuses theatre and dance together with aerial acrobatic techniques (multi-ropes and capillary suspension).

Ara tells the story of a bird-woman who finds throughout her life different ways of flying. It is a sensory experience, that mixes female strength , flying and poetry of movement.

# ANDREA RIOS

Circus Artist from Colombia, professional graduate of the Colombian circus school "Escuela Nacional Circo Para Todos (ENCPT) 2009.

Her especiality is the aerials: rope, tissue, hoop and fix trapeze.
